DISCOVER MORE.

Scan the code to get more information, more driving pleasure on the first-ever BMW 6 Series Gran Turismo.

IT ALL STARTS WITH IMAGINATION.

IT'S IMPORTANT FOR IT TO RUN WILD. TO LET IT TRAVEL TO PLACES NEVER BEEN BEFORE AND SEE THINGS NEVER EXPERIENCED. TO SOAR ABOVE THE NOISE IN SEARCH OF AN IDEA THAT SHATTERS STEREOTYPES.

AN IDEA THAT'S TRULY INDIVIDUAL. YEARNING TO BREAK AWAY FROM THE HERD, IN PURSUIT OF A GREATER TOMORROW.

AND WHEN YOU DO FIND IT, TAKE THE TIME TO CRAFT IT, SCULPT IT, ADORN IT AND TURN IT INTO SOMETHING FAR MORE SUPERIOR. SOMETHING AWE-INSPIRING. ORIGINAL.

THE FIRST-EVER BMW 6 SERIES GRAN TURISMO COMBINES UNIQUENESS AND CONFIDENT ELEGANCE PERFECTLY, TURNING EVERY MOMENT INTO A SOURCE OF JOY. ONLY THEN DO YOU BECOME **TRULY DISTINCTIVE.**

**AN ALL-NEW WAY
TO TURN HEADS.**

THE LEADING LOOK.

COUPÉ-STYLE ROOFLINE AND ELEGANT CONTOURS ■ LONG WHEELBASE
AND SETBACK GREENHOUSE ■ FRAMELESS WINDOWS

The image shows the interior of a BMW SUV, likely a GLE model, featuring brown leather upholstery and a panoramic glass roof. The view is from the passenger side looking towards the driver's seat. The front seats have large, adjustable headrests with integrated entertainment screens. The center console has a gear shifter and handbrake. The dashboard and steering wheel are visible in the background. The lighting is warm and ambient, highlighting the textures of the leather and the spaciousness of the cabin.

EVEN THE LONGEST JOURNEY FEELS TOO SHORT.

- GENEROUS HEAD AND LEGROOM
- PANORAMA GLASS ROOF
- REAR SEAT ENTERTAINMENT
- 4-ZONE AIR CONDITIONING
- ELECTRICALLY ADJUSTABLE REAR SEATS WITH ADDED COMFORT
- REAR HEADREST WITH COMFORT CUSHIONS
- AMBIENT LIGHT

STAY IN THE KNOW AS YOU GO.

- BMW GESTURE CONTROL
- APPLE CARPLAY
- INTELLIGENT VOICE CONTROL SYSTEM
- 10.25" TOUCH DISPLAY WITH CONFIGURABLE HOME SCREEN
- iDRIVE TOUCH CONTROLLER WITH HANDWRITING RECOGNITION

FUNCTIONALITY MEETS DYNAMICS.

ACTIVE REAR SPOILER ■ SCULPTED 3D LED REAR LIGHTS ■ AIR BREATHER
■ SPACIOUS LUGGAGE COMPARTMENT WITH THROUGH-LOADING SYSTEM

DYNAMICS ROOTED IN INNOVATION.

- ACTIVE AIR STREAM KIDNEY GRILLE WITH WIDE GRILLE FRAME
- ADAPTIVE LED HEADLIGHTS ■ ADAPTIVE AIR SUSPENSION
- BMW DISPLAY KEY

MORE DRIVING PLEASURE, LESS EMISSIONS.

BMW EfficientDynamics is a technology package that includes not only the drive, but rather the whole vehicle concept and intelligent energy management. Provided as standard in every BMW, a variety of innovative technologies contribute to continuously improving efficiency.

MORE SPEED, LESS WEIGHT.

BMW EfficientLightweight showcases the ultimate in efficient, dynamic driving. Thanks to the intelligent use of especially lightweight and stiff materials - such as aluminium in the chassis, high strength steel in the body or ultra modern magnesium alloys in the engine - fuel consumption is reduced, while driving performance and dynamics are improved.

AERODYNAMICS.

With targeted measures focusing on Aerodynamics, BMW has optimised drag coefficient and efficiency as well as interior acoustics. The active air stream Kidney Grille, the Air Breather and the Air Curtain on the front wheels are all targeted and detailed measures to further reduce air resistance.

START-STOP FUNCTION.

The Start-Stop function enhances fuel efficiency by switching off the engine when the vehicle comes to a temporary standstill. Once the brake pedal is released, the engine starts up again almost instantly.

MORE POWER FROM LESS FUEL.

Consume less, experience more – the BMW TwinPower Turbo engines offer the greatest possible dynamic performance with the greatest possible efficiency, thanks to the newest injection systems, variable output control and sophisticated turbocharger technology.

DRIVING EXPERIENCE CONTROL.

The Driving Experience Control offers the driver the choice between the COMFORT Mode, COMFORT+ Mode, ECO PRO Mode and SPORT Mode. The new interactive function, ADAPTIVE Mode, continuously adjusts the Dynamic Damper Control, the steering and the Steptronic transmission to suit the current driving situation.

BMW 630i

- BMW TwinPower Turbo 4-cylinder petrol engine with 190 kW (258 hp) and 400 Nm torque
- Acceleration 0-100 km/h: 6.3 s
- Top speed: 250 km/h
- Fuel economy km/l: 15.63¹
- CO₂ emissions g/km: 152.47¹

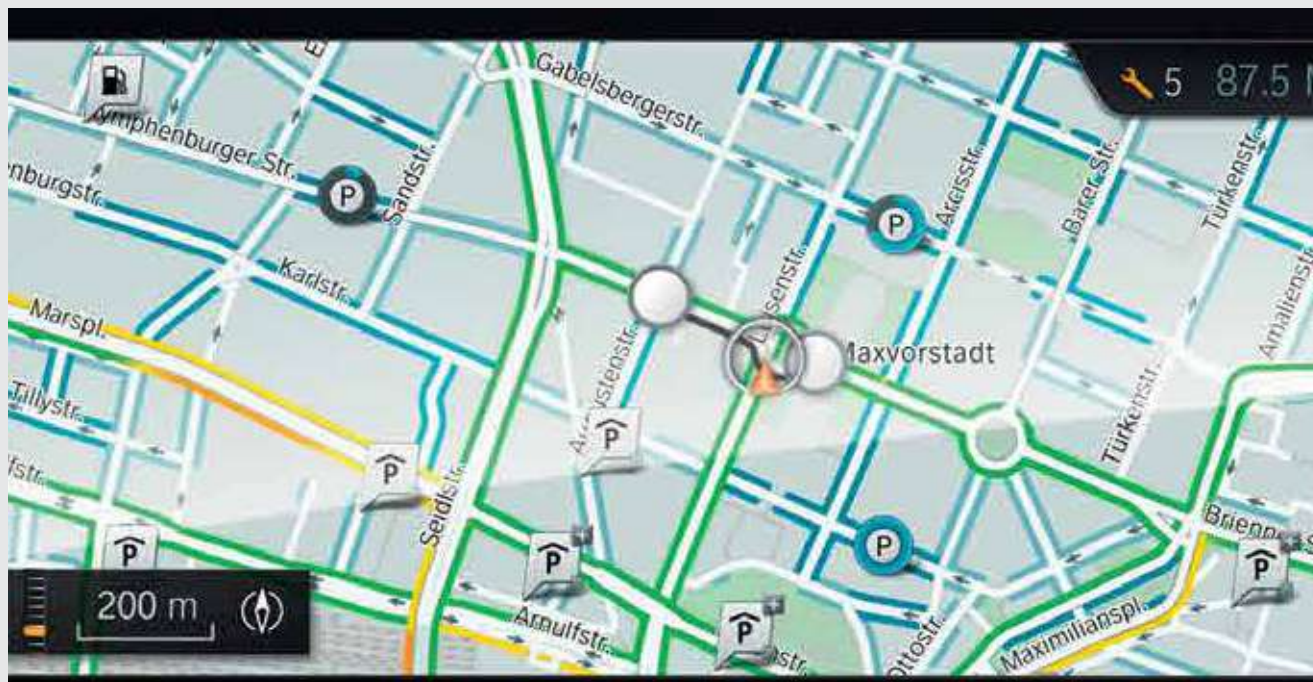

¹ Performance data as measured in the emission test done under controlled conditions of environment, driving cycle, fuel, etc. as specified in Rule 115 of Central Motor Vehicle Rules, 1989.

With **BMW Gesture Control**, selected functions can be operated by means of defined hand movements. Simple gestures such as 'swiping' or 'pointing' are identified in the recognition area above the centre console and trigger functions such as accepting or rejecting an incoming telephone call, proceeding or cancelling navigation as well as starting and ending voice recordings.

Preparation for **Apple CarPlay**^{1,2} supports the convenient and wireless use of selected iPhone® functions in the vehicle. This allows smartphone content and functions such as music, iMessages/text messages, telephony, Siri and selected third-party apps to be displayed and operated via the vehicle's user interface and via Voice control.

The newly developed interface design of **Navigation System Professional** makes using the constantly expanding function of the infotainment system in the first-ever BMW 6 Series Gran Turismo easier, more lucid and intuitive. The 26 cm (10.25") LCD display has Touch functionality, configurable home screen, 3D Maps and can also be operated through iDrive Touch Controller.

The **Rear View Camera** enables improved orientation when reversing at speeds below 15 km/h, for example when parking. It shows the area behind the car on the Control Display. Interactive track lines for measuring distance and turning circles assist the driver when manoeuvring, obstacles are marked in colour.

¹ Apps available on Apple CarPlay is dependent on country specific offer by Apple.

² The compatibility and range of functions from Apple CarPlay® depend on the model year and the software installed on the iPhone®. When the Apple CarPlay® preparation is used, selected vehicle data is transferred to the phone. The mobile phone manufacturer is responsible for further data processing.

The **8-Speed Steptronic Sport Transmission** offers incredibly sporty gear changes. In addition to automatic gear selection, dynamic gear changes can also be done manually via the gear lever or gear shift paddles - its range is perfect for everything from comfortable coasting to very dynamic driving style.

In SPORT mode and with the gear lever in the left-hand S/M position, the gear shifts are configured for maximum performance. The Launch Control function permits maximum acceleration from standing start.

The 8-Speed Steptronic Sport Transmission works together with the engine to deliver smooth gear shifts and highly convincing figures in efficiency, power delivery and shift comfort.

The **Adaptive 2-Axle Air Suspension** ensures extremely comfortable driving and suspension dynamics. The driving dynamics also benefit from the perfectly consistent elevation, even if the vehicle is fully loaded.

Unlike steel suspension, air suspension consists of air-filled rubber pads whereby the pressure inside the pads is continually adjusted to the driving situation.

Additionally vehicle can be raised by 20mm using a separate control unit at speed of up to 35 km/hr. In order to reduce air resistance and lower the car's centre of gravity, the vehicle is automatically lowered in Sport mode or when traveling at high speeds.

The **Adaptive LED Headlights** ensures optimum illumination and visibility in every driving situation significantly improving active safety. In addition to indicators and daytime running lights, it includes the Adaptive headlight function with variable city and motorway light distribution, cornering lights as well as BMW Selective Beam which automatically switches between the low and high-beam lights. The system ensures ideal illumination of the road whatever the conditions and consumes less energy than conventional light systems thanks to its LED technology.

Dynamic Stability Control (DSC) permanently assesses the vehicle's movements and stabilises it using engine and braking regulation when unstable driving conditions are detected. Additional features of DSC are, for example, brake drying, braking readiness or the Hill-Start assistant, which holds the vehicle briefly in place when starting on inclines to prevent it from rolling backwards.

Airbags for driver and front passenger are part of the optimally coordinated safety components in a BMW. Overall, six airbags provide targeted protection: the driver and front passenger airbags, the head airbags for the entire window surface on the side and the side airbags integrated into the front seat backrests.

EQUIPMENT HIGHLIGHTS.

The Active Rear Spoiler automatically extends at a speed of over 110 km/h and retracts once the speed returns to 70 km/h in order to improve stability. It can also be manually activated via a button on the driver's door.

The Adaptive LED headlights include BMW Selective Beam, cornering lights and adaptive headlights. The light colour is similar to daylight and provides an ideal, even illumination of the road to improve visibility and make driving in the dark less tiring. The iconic light design with four light elements makes the vehicle recognisable as a BMW even at night.

The Welcome Light Carpet function illuminates the area in front of the car doors in white, creating an elegantly hospitable impression. Ambient light creates a relaxed, cosy lighting atmosphere in the interior, and features vicinity illumination in the exterior door handles. There are eleven predefined light designs available in six different colours, with contour and ambient lighting on the instrument panel, door trim and centre console.

When open, the Panorama glass roof provides a great deal of fresh air. And when closed, it creates a bright, light-flooded atmosphere in the interior. It opens and closes completely automatically at the push of a button, or remotely, and is equipped with slide and lift functions, roller sunblind and wind deflector.

The doors with frameless windows convey lightness, creating a distinctly dynamic and elegant appearance reminiscent of a coupé.

The rear lights with lighting elements in LED technology consist of individual high-performance LED lighting elements and have the characteristic, striking BMW L-shape, meaning that the vehicle is clearly recognisable as a BMW even in the dark.

Electrically adjustable Rear Seats with added comfort; Headrest with comfort cushions in Alcantara.

The Instrument panel in Sensatec lends the interior of the vehicle a highly exclusive atmosphere. The artificial leather is applied directly to a semi-rigid foam and features an impressively soft surface.

The Automatic air conditioning with 4-Zone control comes with the equipment included in Automatic air conditioning with 2-Zone control with extended contents, along with two air vents in the B columns.

Preparation for Apple CarPlay^{1,2} supports the convenient and wireless use of selected iPhone[®] functions in the vehicle. This allows smartphone content and functions such as music, iMessages/text messages, telephony, Siri and select third-party apps to be displayed and operated via the vehicle's user interface and via Voice Control.

The electric Roller Sunblind for side window provide protection against strong direct sunlight and help prevent the interior from heating up too quickly.

The BMW Display Key shows various information about the vehicle's status and allows selected functions to be controlled with an integrated touch display.

The Rear-View camera enables improved orientation when reversing at speeds below 15 km/h, for example when parking. It shows the area behind the car on the Control Display. Interactive track lines for measuring distance and turning circles assist the driver when manoeuvring, obstacles are marked in colour.

Rear Seat Entertainment Professional includes two separate 10.2" colour screens that can be tilted and a Blue-ray drive. This makes it possible to use the navigation system or the Internet while on the road (with an existing mobile phone contact). Features remote control, USB port and ports for MP3 players, game consoles and headphones (including wireless headphones³).

The Through-loading system consists of rear seat backrests that are divided in a 40:20:40 ratio, guaranteeing more flexibility when transporting people and objects. For example, two passengers can be seated comfortably in the rear, while long objects such as ski and snowboard bags can be transported at the same time.

The **Multifunction Instrument Display** with Black Panel technology and a screen diagonal of 31.2 cm (12.3") provides a highly impressive visualisation of the driving experience. The different modes and their specific displays – each of which have their own colour scheme and graphic style – can be displayed in the instrument cluster.

¹ Apps available on Apple CarPlay is dependent on country specific offer by Apple.

² The compatibility and range of functions from Apple CarPlay[®] depend on the model year and the software installed on the iPhone[®]. When the Apple CarPlay[®] preparation is used, selected vehicle data is transferred to the phone. The mobile phone manufacturer is responsible for further data processing.

³ Not part of standard equipment.

Sport Line interior equipment:

- Door Sill finishers in Aluminium, illuminated with 'Sport Line' lettering
- Sport seats for driver and front passenger
- Seats in 'Leather Dakota' with line-specific stitching and leather piping
- Car key with buttons and Chrome detailing in high-gloss
- Interior trim finishers in Black high-gloss with accent in Pearl Chrome
- Instrument panel in Sensatec

Sport Line exterior equipment:

- BMW Kidney Grille with vertical slats in Black high-gloss and grille frame in Chrome high-gloss
- Front bumper with specific design elements in Black high-gloss
- LED fog lights
- 'Sport Line' lettering on the side
- Side window surrounds in Aluminium high-gloss; Air Breather finisher, B-pillar, mirror base and mirror foot in Black high-gloss
- Rear bumper with specific horizontal design elements on the rear diffuser in Black high-gloss
- Tailpipe trim in Black Chrome, circular on both sides
- 18" light alloy multi-spoke style 619

ORIGINAL BMW ACCESSORIES.

AS A PROUD BMW OWNER, ACCESSORIES ARE CUSTOMISED TO YOUR OWN INDIVIDUAL TASTE. NOW YOU CAN FURTHER ENHANCE YOUR DRIVING PLEASURE WITH ORIGINAL BMW ACCESSORIES AND PERSONALISE YOUR 6 SERIES GRAN TURISMO FOR A GREATER LEVEL OF LUXURY. CHOOSE FROM OUR WIDE RANGE OF ACCESSORIES SPECIALLY DESIGNED FOR THE INTERIOR, EXTERIOR, ENTERTAINMENT, CONNECTIVITY, TRAVEL AND COMFORT TO SUIT YOUR INDIVIDUAL NEEDS.

BMW M Performance Drive Analyser. The Drive Analyser comprises of an on-board diagnostics stick and a smartphone app to collect and analyse a variety of technical driving data.

BMW M Performance Alcantara Steering wheel with Carbon Fibre trim. Sporty design, enhanced grip: The steering wheel is fully covered with Alcantara. This high-quality material guarantees perfect grip and a satisfying feel - even when it is hot or cold. The trim in open-pore carbon with BMW M Performance is an individual eye-catcher.

BMW M Performance Kidney Grille, Black. The high-gloss Black Kidney Grille gives the front of the car an even more dynamic and athletic look. The glossy black surrounds make the air inlet appear more striking and bigger than ever.

Exterior Mirror Caps, Carbon Fibre. The striking carbon fibre exterior mirror caps underscore the vehicle's high-tech pedigree, adding an individual athletic touch.

BMW M Performance Carbon tail pipe trim with eight-cylinder look. 8-cylinder look, carbon fibre cover and other characteristic design features make the tail pipe trim seem extremely solid and powerful. With embossed BMW M Performance lettering.

Key Case, Alcantara/Carbon Fibre. The key case's material mix of carbon fibre and Alcantara is highly captivating. With accents in BMW M Blue.

BMW M Performance floor mats, Front and Rear. No compromises, not even in the footwells. The BMW M Performance floor mats perfectly round out the upscale, dynamic appearance of the car's interior. Premium look. Optimal traction.

19" M Double-Spoke Light alloy wheel 647 M, Ferric Grey

20" M Double-Spoke Light alloy wheel 648 M

BMW Side Films in Frozen Black. The Side Films in Frozen Black perfectly complement the vehicle's design, underscoring its individual, athletic profile. With coloured BMW M Performance lettering.

BMW M Performance Pedals and Footrest, Stainless Steel. Minimalist design, secure grip: Thanks to its high-quality stainless steel surface and asymmetrical tread design, the pedals and footrest add a dynamic, high-tech touch to the footwell.

WHEELS AND TYRES.

19" Light alloy wheel Multi-Spoke 644, Ferric Grey

19" Light alloy wheel V-Spoke 685, Orbit Grey

18" Light alloy wheel Multi-Spoke 619, Reflective Silver

18" Light alloy wheel V-Spoke 684, Ferric Grey

UNIVERSAL ACCESSORIES.

BMW LED Door Projectors. The innovative door projectors are automatically activated when the doors are opened. They project an image onto the ground next to the car using an interchangeable slide.

All-Weather Floor Mat. Specially made for the BMW 6 Series Gran Turismo, so it offers a 100% fit. Simple to attach using a velcro disc attachment system, so it is non-slip.

BMW illuminated Door Sill finisher. The premium BMW Door Sill finishers with illuminated BMW lettering automatically emit a gentle light when doors are opened.

BMW Mobility Set. With the intuitive BMW Mobility Set, damage on the tyre tread of less than 4 mm can be fixed. The set comprises a powerful compressor, tyre sealant, gloves and various valve adapters that can also be used.

Fitted Luggage Compartment Mat. The anti-slip, waterproof and durable mat with a border helps protect the luggage compartment.

Driver Utility Set. The driver utility set includes a selection of tools for various applications.

BMW Mud Flaps. Protect your vehicle and the car behind you against dirt and stone chips.

Child Seat Underlay and Backrest Cover. Foam padding made of high-quality, robust polyester fabric to protect the seat from soiling and pressure marks. Wipe with a damp cloth to clean. Including backrest cover. Quick and stable attachment.

Travel & Comfort System – Universal Hook.¹ The universal hook makes it possible to hang items of clothing or light bags on the rear side of the backrest, protecting them from dirt in the footwell.

Travel & Comfort System – Universal Cradle.¹

Travel & Comfort System – Folding Table.¹

BMW Baby Seat Group 0+. The BMW Baby Seat Group 0+ with a five-point belt offers unsurpassed safety and comfort for babies up to approx. 13 kg (approx. 15 months old).

BMW Junior Seat Group 1. The BMW Junior Seat Group 1 is the safe choice for children from approx. 12 months to 4 years old (approx. 9–18 kg).

Travel & Comfort System – Base Carrier. Provides an option to attach clothes hangers, a folding table, universal hooks or holders for GoPro cameras, iPads™ or Samsung Galaxy Tabs to the front seat headrest.

Travel & Comfort System – Clothes Hanger.¹ The Travel & Comfort System clothes hanger in an attractive BMW design makes it possible to hang pieces of clothing on the rear side of the backrest.

BMW Junior Seat Group 2/3. The BMW Junior Seat Group 2/3 can be adjusted as the child grows and offers maximum safety and comfort for children aged approx. 3 to 12 years (approx. 15–36 kg).

The Travel Set. Includes a carry-on sized trolley suitcase and a carry bag that helps to create extra storage space in the rear seat. The luggage can be transported individually or stacked and secured with the safety belts. This feature locks to prevent theft.

¹Only in conjunction with base carrier.

¹Only in conjunction with base carrier.

THE ART OF CAR CARE.

BMW Car Care Chemical Products are the BMW approved car cleaning products. Designed to keep your BMW in mint condition from the interior as well as the exterior. They also provide a protective shield against environmental conditions and preserve the high-quality finish of your vehicle.

DIMENSIONS.

A BMW will run well when it's kept well. And to make your journey one with complete peace of mind, we have packages under BMW Service and Repair Inclusive that take care of maintenance, inspection, wear and tear and warranty.

BMW Service Inclusive (BSI)

A single up-front payment covers an extensive range of work on your BMW for a fixed period.

Completely Transparent.

Integrate the cost of service work in your leasing and finance installments.

Fully Flexible.

You have a choice of various packages with different durations and mileage. You can choose from 3 years with 40,000 km to 10 years with 200,000 km.

Easily Transferable.

Consistent maintenance by trained BMW Service staff and the use of Original BMW Parts secure the value of your car in the long term. In case you sell your car, BMW Service Inclusive is automatically transferred to the next owner – an additional selling point.

BMW Repair Inclusive (BRI)

BRI offers the ease of extending the warranty of your car with unlimited mileage up to 6 years. BRI too is automatically transferred to the next owner in the event of selling your car.

Service Inclusive Packages		Oil Inclusive	Service Inclusive Basic	Service Inclusive Plus	Repair Inclusive
Scope of Services		Maintenance Engine oil service.	Maintenance All maintenance work, including any BMW Original Parts and oil required.	Wear and Tear Additional wear and tear repairs including any Original BMW Parts required.	Repair Extension of your statutory right to claim for vehicle defects (warranty).
Maintenance	Engine oil service	✓	✓	✓	
	Engine oil top ups		✓	✓	
	Vehicle check and standard scopes		✓	✓	
	Service/replace air filter		✓	✓	
	Service/replace fuel filter		✓	✓	
	Service/replace micro filter		✓	✓	
	Service/replace spark plugs		✓	✓	
Wear & Tear	Service/replace brake fluid		✓	✓	
	Replacement of front/rear brake pads			✓	
	Replacement of front/rear brake discs			✓	
	Replacement of clutch (if necessary)			✓	
	Replacement of wiper blades (once in a year)			✓	
Extension of your statutory right to claim for vehicle defects (warranty ¹)					✓

In the world of BMW, world-class isn't limited to the vehicles we engineer. It also finds its way into the services we offer. BMW Financial Services is the most flexible and efficient way to realise your dream of owning a BMW. Our goal is to make your financing experience seamless at every step of your purchase so that nothing comes between you and the joy of driving your BMW.

At BMW Financial Services, you are assured of:

- Tailor-made finance options, as per your specific needs
- Quick approvals with fast turnaround time
- Special loyalty benefits
- Part payment facility
- In-house call centre that provides the best-in-class customer interaction

The BMW 6 Series Gran Turismo comes with an exclusive BMW 360° plan. It has benefits at every step of the way, all to ensure sheer driving pleasure.

Easy to Buy.

The BMW 360° programme allows you to pay low monthly installments as you only pay for what you use.

A Joy to Own.

It offers various options under service and maintenance packages which further reduce your cost of ownership.

Future Proof.

The BMW 360° programme provides assured buyback value at the end of your finance contract.

For more information, contact the Finance Manager at the Dealership.
