INTRODUCING

FREESTYLE

Ford

INDIA'S FIRST CUV.

COOL, CAPABLE, CONNECTED AND CONFIDENT.

The All-New Ford Freestyle is India's first Compact Utility Vehicle (CUV) that is designed to complement your freestyle spirit. Whether it's cruising on smooth roads or exploring rugged terrains, Freestyle gives you the josh to navigate life on your own terms and live without regrets. All it takes is the will, because this car can surely find the way.

Josh hai dil mein.

CAPABLE

Equipped with a powerful engine and ARP (Active Rollover Prevention), the Ford Freestyle can take on any road that comes its way. So push the pedal, chase that chance and take off to a place where your heart belongs.

1.2L Ti-VCT Petrol Engine

96PS (70.79kW) Power
19.0km/l **Fuel Economy

1.5L TDCi Diesel Engine

100PS (74.00kW) Power
24.4km/l **Fuel Economy

ALL-NEW 1.2L Ti-VCT ENGINE

The Freestyle is powered by an all-new engine that packs a roaring punch without compromising on fuel efficiency.

ARP (ACTIVE ROLLOVER PREVENTION)

Stay safe in extreme situations without compromising on the fun. With ESP (Electronic Stability Program), ARP automatically detects and avoids potential rollover situations by applying brakes to individual wheels and decreasing engine torque.

GROUND CLEARANCE & SPORTY SUSPENSION

The SUV-rivalling ground clearance & sporty suspension lets you handle both potholes & corners with equal ease.

COOL

The Ford Freestyle oozes appeal from every curve and corner. Its bold and sporty exterior complements its premium interiors. Take it for a spin and infuse every road with its energetic freestyle spirit.

BOLD FRONT GRILLE

The black honeycomb grille gives the Freestyle an aura of rugged masculinity.

METALLIC ROOF RAILS

Striking in appearance, the roof rails possess the right mix of style and muscle.

R15 (185/60 R15) ALLOY WHEELS

The Freestyle carries itself like a champion with R15 wheels that don't just turn, but glide.

SIENNA THEMED STYLE

Eye-popping colour coordinated seats, stunning door accents and a sienna dashboard will add charm to any journey.

CONNECTED

The Ford Freestyle is the perfect companion, always attuned and adapting to the road ahead. Its smart technology and intuitive abilities are not just limited to what's outside the car but also what's on your mind, letting you navigate through life at your own free will.

SYNC® 3

The 16.51cm (6.5) touchscreen is both Apple CarPlay and Android Auto compatible. So you can make calls or listen to your favourite songs anytime, anywhere. Also, mobile navigation is available only through Android Auto.

PUSH BUTTON START

No ignition key, all it takes is a finger on a button and a foot on the clutch to bring the Freestyle to life.

RAIN SENSING WIPERS

When the skies start pouring, these wipers get going, maintaining a crystal clear windshield, come rain or storm.

AUTOMATIC HEADLAMPS

Turning on automatically when the sun sets, the powerful headlamps can illuminate the darkest roads.

FORD MyKey®

The first-in-class Ford MyKey® technology allows drivers to set speed warnings, activate a seat belt reminder and limit the car's top speed.

AUTOMATIC CLIMATE CONTROL

This class leading system monitors the temperature inside out to give you the perfect climate without any manual intervention. It also saves your fuel in the process.

CONFIDENT

The Ford Freestyle lets you drive through any terrain boldly without compromising on safety. Its safety features are always ready for your free spirit, making sure you lead a life free of regret.

6 AIRBAGS

In addition to front airbags for the driver and front seat passenger, the Ford Freestyle offers best-in-class side and curtain airbags, offering backseat passengers extra protection.

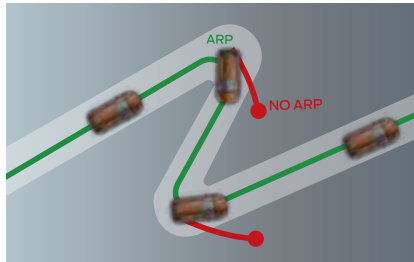

REAR VIEW CAMERA

The Rear View Camera turns on automatically as you reverse, so you can wriggle through the tightest of spaces with ease.

ABS & EBD

Anti-lock Braking System (ABS) and Electronic Brake Force Distribution (EBD) give you a better grip on the road, so you can comfortably make those sudden stops and quick turns with greater control.

ARP (ACTIVE ROLLOVER PREVENTION)

With ARP, HLA*, ESP*, EPAS* and Traction Control, you can be sure of a safe drive as you manoeuvre through the sharpest corners and hairpin bends.

EMERGENCY ASSISTANCE

In the unlikely event of an accident, the Emergency Assistance shuts off the fuel pumps and automatically shares your GPS location with the emergency services.

Conditions and exclusions apply. Images and illustrations are for information purposes and are indicative only. Because of changes in conditions and circumstances Ford India Private Limited ("Ford") reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order. Some driver assistance and safety features described above are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions. Features may vary from model to model. Bluetooth® is a registered trademark of "Bluetooth® SIG Inc., and is used under license. Operating certain parts of the SYNC® system while driving can distract your attention from the road and may be prohibited by local laws. Do not change system settings or enter data non-verbally (using your hands) while driving. **Fuel economy is as per ARAI. Stop the vehicle in a safe and legal manner before attempting these operations. Always make sure that you comply with local road laws/ rules when using the SYNC® system. SYNC® promotes safer driving by ensuring hands are on the wheel and eyes on the road. **Kerb weight with 90% fuel. Ford does not recommend using mobile phone while driving. Accessories shown may not be part of standard equipment. Colours are indicative only and may vary due to printing constraints. Specifications and features are subject to change without notice. Registered Office: at SP Koil Post, Chengalpattu-603204, District Kancheepuram, Tamil Nadu, India. Ford Freestyle Brochure, printed in April, 2018.
