# A unique lighting signature

The Renault CAPTUR's Innovative Lighting System (ILS) brings a new dimension to automotive illumination. It comprises of segment-first Sparkle Full LED headlamps that produce an enhanced light output, while being highly energy efficient. ILS also extends to the iconic C-shaped Sapphire LED DRLs, unique Floating Indicators, Ripple tail lamps and LED ambient lighting on the inside. Together, they give the CAPTUR a truly recognisable lighting signature.

# Designed to inspire awe

The Renault CAPTUR blends a bold, assertive presence with expressive styling. Distinctive design details like the R17 Crystal Cut alloys and chrome studded front grille accentuate the car's dynamic lines. Furthermore, the chrome jewel body side cladding and chrome accents on the rear embellisher and exhaust, add a touch of flair.

# Captivating inside out
