Since 1975, the Volkswagen Polo has been delighting generations for, well, generations, across the world. Over the years, the much-loved German-engineered hatchback has been redesigned and reimagined several times. It became smarter. It became bolder. It became sportier. In fact, it even took to racing. And with as much ease as it cruises down a city road. It isn't a wonder then that the Polo remains one of the world's bestselling cars. With so much going for it, could it get any better?

Well, it already has.

The New Polo is a car that lives up to its legacy. And exceptionally well, at that. Its exhilarating power, stunning colours and sporty design make it a car truly deserving of its badge. It's a rare car that makes an all-round impression. A car that gives you that wonderful feeling. So much so, that you'll wonder if anything else **feels that good**.

STYLING

Good things come in good-looking packages.

It's quite remarkable how something that is the sum of many little parts put together looks so effortless. The New Polo is styled with many welcome additions to its form. From the sleek new front grille to new dual-beam headlamps, and body-coloured handles to stylish hints of chrome on the air dam, the legacy of the car lives on. With a slick makeover, to boot.

Complementing the striking contours of the new design are body-coloured side mirrors¹ and door handles², and new dual-beam headlamps³ in black finish, with cornering lights for additional safety.

Give your ride a sporty spin with bold and trendy new 15" 'TOSA' alloys⁵.

Keep your cool in the shade and comfort of heat-insulated glass⁴ on the side and rear windows.

At the rear, newly-designed tail lamps⁴ make for a stunning visual upgrade. While the logo stylishly doubles up as the opening lever⁶ for the boot.

Sleek, isn't it?

DASHBOARD

Ready for take-off, Captain?

Inside, the New Polo has more tricks lined up its sleeve. Starting with the sporty new steering wheel, powers of which are known to transform even the duller of highways into speedy racetracks. At the centre is an advanced multi-function console, ready to respond to every command of yours.

Take in the leather-wrapped, brushed-aluminium finish, scratch-resistant interiors as you step inside. And that is not even the half of it. You'll find thoughtful touches in every corner of its interior, right down to the dead pedal on the driver's side for added comfort.

You can have your space. And other whims too.

In the New Polo, luxury isn't a choice. It's your right. Which is why you will find that sincere attention has been paid to the littlest of details. Before you, we allow only the finest material and latest technology to enter our cars.

Whether it's the reach and rake adjustable¹ multi-function steering wheel² or the smartly redesigned music player set next to the climatronic air-conditioning³, the Polo always thinks of you. In fact, it now also helps you play music or make and receive calls using voice commands. Simply connect your phone⁴ to the centre console using **Bluetooth** and use the **Voice Command** button on the steering wheel to operate it.

The New Polo is in sync with today's evolving lifestyle. Something tells us you'll find the mirror adjustment controls⁵, bottle⁶ and cup holders⁷, along with other little tweaks & twists, much to your satisfaction.

Not to mention, finely upholstered seats that give the car its royal finishing touch.

¹Requires mobile phone with built-in 'voice search' and 'voice recognition' feature.

POWER

New 1.5L TDI Engine
90PS (66kW) Power
230 Nm Torque

1.2L MPI Petrol Engine

5-speed Manual Transmission

That 'wind in your hair' feeling. Courtesy that breakthrough under the bonnet.

It murmurs. It roars. All on command. Once you rev the engine, you can turn composer to your own tunes. The all-new 1.5L TDI engine is a powerhouse of talent. A 4-cylinder beauty coupled with a 5-speed manual transmission. The engine, also available in a power-studded 1.2L MPI Petrol option, is tailor-made with unearthly precision, so that you get maximum power out of minimum consumption.

EFFICIENCY

Safety measures that mean business. For a drive that's all pleasure.

Nothing feels as good as a heady boost of confidence. Just why every Volkswagen out of the factory is a force to reckon with. Trusted, checked, re-checked and rigorously quality-controlled to accuracy. It comes in a high-strength steel frame, with Anti-lock Braking System (ABS). Sit nestled comfortably as you ride in a 100% galvanised steel body that's enclosed by a laser-welded roof. As safe as possible (or probably even more).

Equipped with dual front airbags as standard, the Polo is the safest premium hatchback in its segment.

Rated the Safest Premium Hatchback in its segment in India

Anti-lock Braking System (ABS)

3-point Seat Belts

Dual Front Airbags as Standard

*For adult occupant protection. Polo with dual front airbags as standard. Tests and assessment conducted by Global NCAP as per Latin NCAP 2013 protocols. SIAM 'A2 Compact' Segment classification.

Three magical words that send the Polo's heart racing. World Rally Championship.

The Polo loves a challenge. In 2013, when it debuted at the World Rally Championship (WRC), the results were nothing short of spellbinding. The 1.6L turbocharged Race Polo, which uses the same block and head gasket as a production Polo, sped away with top honours in its very first year of participation. It won ten of the thirteen rallies it participated in and made it to the podium eight more times, securing the championship title for its drivers, Sebastien Ogier and Julien Ingrassia, and the manufacturers' championship title for Volkswagen. Ah, that good feeling.

MOTORSPORT

Volkswagen service for your peace of mind.

Volkswagen Warranty & Extended Warranty: The New Volkswagen Polo comes with a standard warranty of two years, unlimited kilometres and can be extended at an additional cost for a further one year and up to 80,000 kms. Or two years and up to 1,00,000 kms from the date of sale (whichever is earlier). All this, to protect your car against the defects of most mechanical and electrical components due to manufacturing defects. All periodic maintenance at recommended intervals and warranty work must be completed by an authorised Volkswagen dealer.

3-year Paint Warranty & 6-year Anti-perforation Warranty: The paintwork of the New Polo is covered against manufacturing defects for a period up to three years and the vehicle body parts for a period of six years from date of sale against perforation caused by corrosion. Naturally, the New Polo must be cared for in compliance with the operating instructions which will be found in your vehicle handbook and all body repairs must be done at an authorised Volkswagen dealer.

Volkswagen Roadside Assistance: Every new car is registered for Volkswagen India Roadside Assistance for two years from its date of sale. This provides the vehicle with home and roadside recovery in the unlikely event of a breakdown anywhere in India (subject to terms and conditions). This service can be extended for two additional years. For more details, please consult the nearest authorised Volkswagen dealer. Further details for the Warranty: Please contact your Volkswagen dealer or Volkswagen India Assistance, 24x7, anytime, anywhere.

Call toll-free on 1800-102-0909 / 1800-209-0909.

Periodic Maintenance: The service interval of your Volkswagen is scheduled every 15,000 kms or one year. With a free inspection at 7,000 kms or 6 months, whichever is earlier.

Please Note: The features and specifications contained in this brochure are for information purposes only and are subject to change without prior notice. The print process does not allow for exact reproduction of paint finish and seat upholstery colours. If you require any specific feature, you must consult your authorised Volkswagen dealer who is regularly updated with any change in specification. Please check model availability and full specification details with your authorised Volkswagen dealer prior to ordering. We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. Terms and conditions apply.
