INTRODUCTION

DESIGNED TO IMPRESS THE BETTER YOU.

In your first moment with the New Vento, you'll sense the familiar aura of great engineering, the sharp elegance of experience. But, the ever-present feeling of déjà-vu, hidden behind that exterior grace will always deem something distinctly new. One that will draw you closer to believe there's an even better version of better facing you.

Designed to follow you when good stops being good enough. Its luxuries like full LED headlamps with LED daytime running lights, reverse parking camera, auto-dimming interior rear-view mirror, automatic rain-sensing wipers and more, that make the New Vento a new breed of engineering for the new you.

STYLING

FOR THE BETTER VIEWER, THE BETTER VIEW.

Beauty can only take you so far. But, how about going further with the bold bumper surrounding the chrome-finished grille¹. Make the hood's sharper lines a part of your chiselled look. Turn heads with the sleek air-intake, fog lights and static cornering lights³. And to break the habit of the ordinary, get electrically foldable side mirrors⁴ with integrated

turn indicators that can be adjusted automatically from your seat, at the touch of a button.

The full LED headlamps with daytime running lights², guarantee second glances. Elegantly around the headlamps, the beautifully crafted DRL will surely make heads turn.

The back adds character with a stylish bumper and 3D effect tail lamps¹. The door handle², exhaust³ and the strip above are all covered in chrome. Talk about a little more glimmer to the contours.

And as finishing touches go, we have added slick rear reflectors and bold alloy wheels⁴. A better view, indeed.

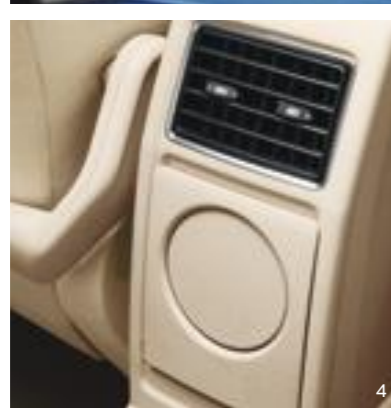

FACE THE BETTER FUTURE.

One look at the dashboard and you'll know the future will soon follow its design. The state-of-the-art touchscreen infotainment system and multi-function console will let you lean back and take control effortlessly. Dream about your next milestone while cruise control maintains a steady speed during those leisurely long drives. Face the race ahead with the leather-wrapped flat-bottom steering wheel. And to make parking an elegant performance, the New Vento is now equipped with a reverse parking camera. Its features like these that make the New Vento a car as ready as you.

Features and accessories shown may not be part of standard equipment.

DASHBOARD

A detailed view of the interior of a Volkswagen Vento, focusing on the dashboard and steering wheel. The dashboard is black with a central touchscreen infotainment system displaying the Volkswagen logo and "WELCOME TO VOLKSWAGEN". The steering wheel is black with a flat-bottom design and features the Volkswagen logo in the center. The instrument cluster includes a tachometer, a digital display showing "203 P" and "550", and a speedometer. The interior is finished with beige leather seats and door panels. The background shows a scenic view of a road winding through a green valley under a bright sun.

STEP INTO THE NEW WORLD.

Let the world take a backseat as the new you take control of the car.

The flat-bottom, multi-function steering wheel¹ comes with *voice command controls and the climatronic air-conditioning lets you rule over the internal environment. The cooled glovebox⁶ keeps your drink cold during those long journeys while cruise control⁵ maintains a steady speed. To ensure a safer drive, the New Vento is also equipped with auto-dimming interior rear-view mirror² to automatically reduce the glare from trailing vehicles.

Drive with the comforts of luxurious upholstered seats and a height-adjustment lever on the drivers side. For the passengers at the back, comfort is never too far. A foldable armrest, rear air-conditioning vents⁴ and a convenient cup holder make the journey relaxing, for all. The New Vento is equipped with an intelligent rain sensor⁷ to automatically signal the wipers at the sense of any rain. Perfect for those moments when you're faced with a sudden downpour.

And on congested streets or multi-level parking spaces, the reverse parking camera³ on the dashboard will help you park the car with ease.

Features and accessories shown may not be part of standard equipment.
*Depends on mobile handset and application compatibility.

FOR THE BIGGER JOURNEYS AND NEW STORIES.

Pack more than you need for, you never know where your next journey will take you. Comfortably load your luggage into the voluminous spaced 494-litre trunk¹ using the illuminated low-loading height boot.

mobile phone holder under the front armrest², a bottle holder³ on every door and a cup holder⁴ next to the driver; giving you easy access, even to those smaller needs.

The interiors are fitted with a concealed

SPACE

ENGINE AND TRANSMISSION

POWER TO GO FURTHER.

At the centre of the machine lies the revolutionary 1.2L TSI engine. Giving you 105 PS of raw power and 175 Nm of torque. But, what really outclasses the masses is the first-in-class 7-speed automatic dual-shift gearbox¹, which ensures a smoother drive as the engine effortlessly switches gears.

And if diesel is your preferred choice of power, we also have the mighty 1.5L TDI engine with the same 7-speed automatic DSG transmission. More importantly, with a fuel consumption of 18.19 kilometres/litre (TSI) and 22.15 kilometres/litre (TDI), it gives you maximum power with minimum consumption.

Also available in a 1.6L petrol MPI engine.

TSI Engine

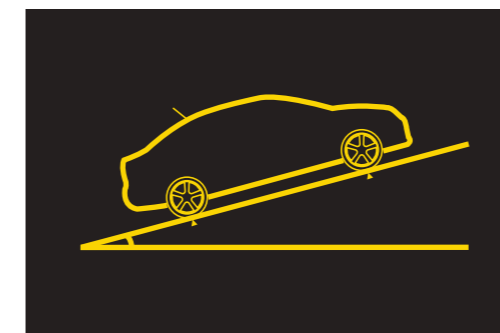

5-speed Manual Transmission

SAFETY

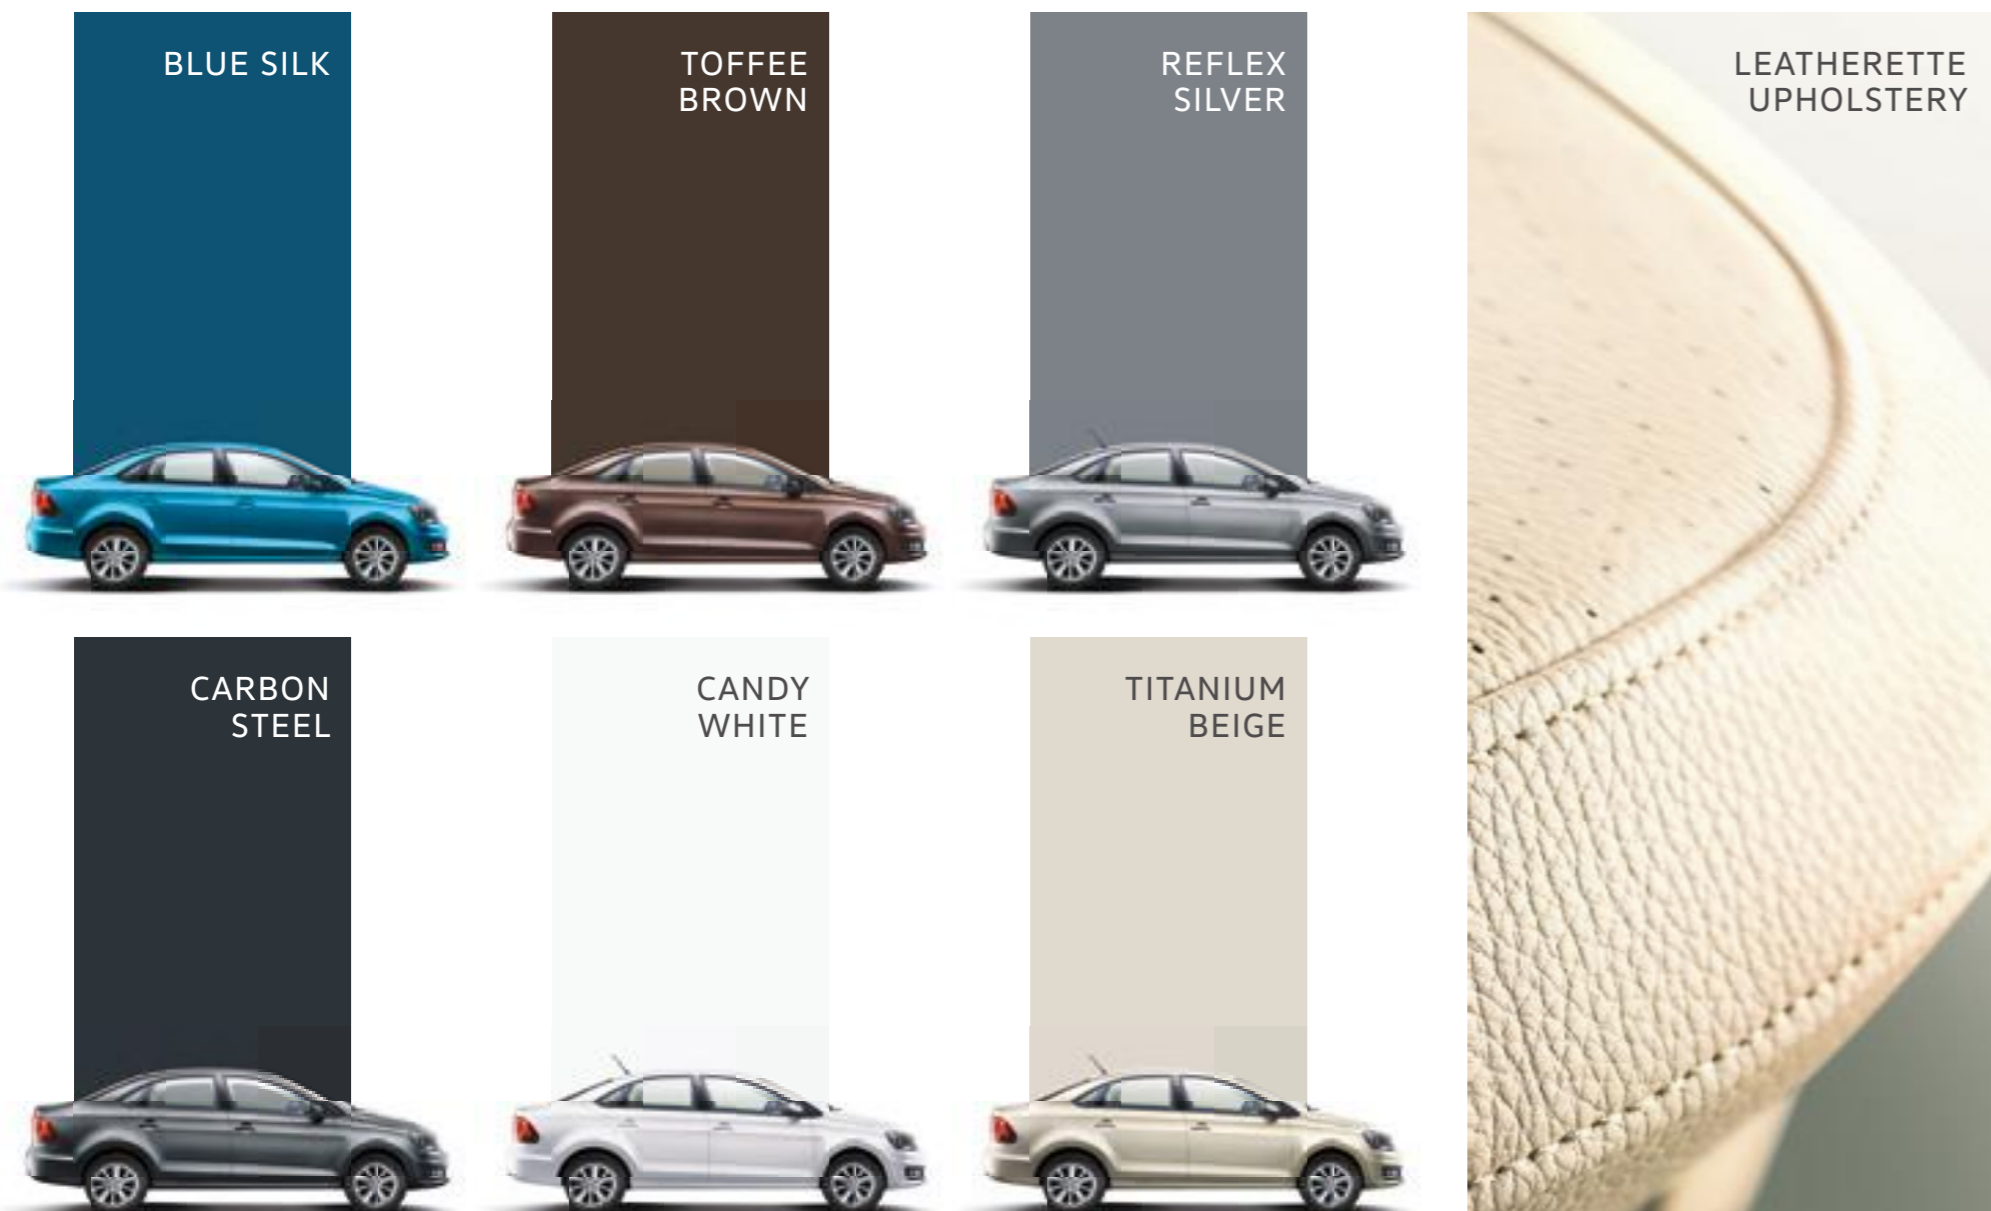

EVERY DIFFICULT ROAD IS STILL THE SAFEST ROAD.

Safety has always been an integral aspect at Volkswagen and is central to the New Vento.

The Electronic Stabilisation Programme⁴ (ESP), with Anti-lock Braking System³ (ABS) will make sure you're in firm control on slippery roads or during heavy braking. On facing a steep incline, the Hill-hold⁵ function will prevent the car from rolling backwards. The anti-pinch technology⁶ will stop the windows from closing, on sensing even the slightest obstacle. Being equipped with dual front airbags² as standard, rear parking sensors as well as a reverse parking camera¹, we make sure safety is an all round affair. And to always keep the car with its beloved owner, the New Vento has an electronic immobiliser anti-theft device as standard.

Volkswagen Service for your peace of mind.

Volkswagen Warranty and Extended Warranty: The Volkswagen New Vento comes with a standard warranty of 2 years, unlimited kilometres, and can be extended at an additional cost for a further 1 year and up to 80,000 kilometres. Or 2 years and up to 1,00,000 kilometres from the date of sale (whichever is earlier). Extended warranty can be purchased within standard warranty period only. All this, to protect your car against the defects of most mechanical and electrical components due to manufacturing defects. All periodic maintenance at recommended intervals and warranty work must be completed by an authorised Volkswagen dealer.

3-year Paint Warranty and 6-year Anti-perforation Warranty: The paintwork of the New Vento is covered against manufacturing defects for a period up to 3 years and the vehicle body parts for a period of 6 years from the date of sale against perforation caused by corrosion. Naturally, the New Vento must be cared for in compliance with the operating instructions, which will be found in your vehicle handbook, and all body repairs must be done at an authorised Volkswagen dealer.

Volkswagen Roadside Assistance: Every new car is registered for Volkswagen India Roadside Assistance for 2 years from its date of sale. This provides the vehicle with home and roadside recovery in the unlikely event of a breakdown anywhere in India (subject to terms and conditions). This service can be extended for either 1 or 2 additional years. **24 x7 Roadside Assistance Helpline: 1800 102 1155 / 1800 419 1155.**

Periodic Maintenance: The service interval of your Volkswagen is scheduled for every 15,000 kilometres or one year. With a one-time free inspection at 7,500 kilometres or 6 months, whichever is earlier.

Please note: The features and specifications contained in this brochure are for informational purposes only and are subject to change without prior notice. The print process does not allow for exact reproduction of paint finish and seat upholstery colours. If you require any specific feature, you must consult your authorised Volkswagen dealer, who is regularly updated with any change in specifications. Please check model availability and full specification details with your authorised Volkswagen dealer prior to ordering. We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. Terms and conditions apply.

24x7 Customer Care Helpline: 1800 209 0909.

Volkswagen Service App

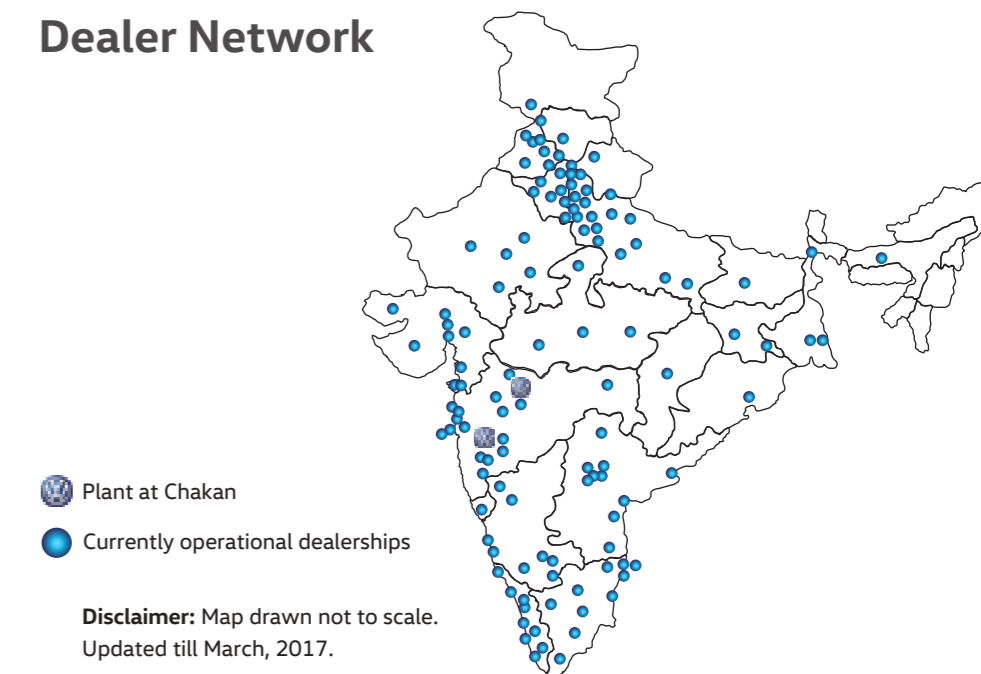

Everything you need to know about Volkswagen. Now on-the-go.

The Volkswagen Service Mobile Application is your reliable and smart assistant on the go. You can get information on standard service labour charges, Volkswagen dealer network and explanation of various indicators on the car's dashboard. It enables you to get connected with Volkswagen Customer Care and Roadside Assistance at a click of a button. It also facilitates prospective customers to book a test-drive and get information on Volkswagen's India line-up of cars and the latest tips and offers. Furthermore, you can create stories of your journey with maps and pictures. So stay connected.
